Deniz Aksoy

Frontend & Product Engineer

Istanbul, Türkiye · deniz.aksoy@example.com · +90 532 555 01 47 · deniz.example.com · github.com/deniz-aksoy-example · linkedin.com/in/deniz-aksoy-example

Date of birth: 14 May 1996

Summary

Frontend engineer with five years of experience building fast, accessible product UIs in React and TypeScript. I led the design-system rebuild at Pazarbox, care about performance budgets and localization, and like working closely with designers and product managers on measurable outcomes.

Experience

Frontend Engineer · Pazarbox — Mar 2022 – Present
Istanbul, Türkiye

E-commerce marketplace with 4M monthly shoppers; member of the checkout and platform squads.

- Raised checkout conversion by [X%] after the redesign.
- Led the rebuild of the design system (62 components, React + TypeScript, Storybook), adopted by 7 product teams.
- Cut checkout Largest Contentful Paint from 3.9 s to 1.8 s through code splitting and image budgets.
- Introduced Playwright visual tests that caught 40+ regressions before release in the first quarter.
- Shipped right-to-left and Arabic localization for the Gulf expansion together with the i18n guild.

Frontend Developer · Kuzey Labs — Feb 2020 – Feb 2022
Istanbul, Türkiye

Product studio building web and mobile apps for fintech and logistics clients.

- Built a React Native driver app for a logistics client, used by 3,500 drivers daily.
- Delivered a GraphQL-backed portfolio dashboard for a Turkish neobank in four months.

Junior Web Developer · Mavi Yazılım — Jul 2019 – Jan 2020
Istanbul, Türkiye

- Maintained customer-facing booking forms and raised their Lighthouse accessibility score to 98.

Projects

tiny-i18n-lint · Author · Maintainer — Jan 2024 – Present
github.com/deniz-aksoy-example/tiny-i18n-lint

ESLint plugin that flags hard-coded UI strings and missing translation keys.

- 1.2k weekly npm downloads
- Used by two Istanbul startups in CI

Skills

Frontend: React, TypeScript, Next.js, Redux, Tailwind CSS, Vite
Quality: Accessibility (WCAG 2.2), Web performance, Jest, Playwright, Storybook
Product: Design systems, Figma, A/B testing, Localization
Also: React Native, Node.js, GraphQL

Education

BSc, Computer Engineering · Istanbul Technical University — Sep 2015 – Jun 2019

Languages

Turkish: Native
English: Fluent (C1)
German: Elementary (A2)

Certifications

Web Accessibility Specialist (WAS) · IAAP — Nov 2024

Awards

Hackathon winner · Istanbul JS — Nov 2023
Accessible maps.

Publications

Design systems at scale · Smashing Magazine — May 2024

Volunteering

Mentor · Kodluyoruz — Jan 2021 – Jun 2023
Mentored bootcamp students in React.

Interests

Outdoors: Climbing, Photography
